COMMANDER

Greetings from your Commander!

The Change of Watch is over, and my job has begun to help each of you as members of Tacoma Power Squadron, America's Boating Club of Tacoma & South Puget Sound. As a retired Army guy, I learned that the Commander is responsible for everything that the command does or fails to do. Luckily, as we are all volunteers, we can't really fail. We'll do what we can to the best of our ability and that is always better than doing nothing.

Cdr Stan Wolfe, SN-CN For my first article, I'm going to provide a brief background to include why I'm in the Power Squadron. I'll finish up by discussing some near-term goals and projects with which the Squadron is involved. It might be that you may find something that interests you if you are not already involved.

I've been boating in Puget Sound since I was 15 years old. Being a military brat and subsequently a career Army officer, assignments took me away from the region many years. Returning to the Northwest in 1992, I soon returned to boating with my wife, Deb, and our son, Robbie. As most folks seem to do, we started with a small 15-foot outboard cathedral-hulled boat. Great lake boat, not so much out on Puget Sound. Two-foot-itis crept up on us and we went to an 18-footer, then a couple of upper-20s express cruisers. The first express cruiser delivery was confidence shaking what with blowing wind, rain, darkness, and those new-fangled trim tab thingies that didn't seem to work right. After jamming the boat into our slip, I thought to myself, "I got to get some training."

After a little Googling, filling out a contact form, I was hooked up with either the electric company or a boating safety organization, United States Power Squadrons. After eight or nine weeks of class, reading all the material, attending the lectures, answering the end of chapter quizzes, and passing the exam, my son and I received our certification of completion. At this point I was only a slightly safer boater. The years of practice, taking a lot more classes, listening to the dockside war stories at rendezvous, and finally getting some hands-on training via the Boat Operator Certification program has made me a better, much safer boater. I'm quite comfortable in our twin-engined Bayliner 3288, GreyWolfes' - we love it!

So much for the past - what lies ahead? First, I hope we can resume some familiar patterns with face-to-face classes. I'm not adverse continuing Zoom-based training as it is another tool in our training delivery collection. It's just nice to get face time with students. Face time with each other is another goal. We can start with the Memorial Day rendezvous in Swantown. Please plan to attend and make your reservation directly with the marina. I planned a wonderful cruise for 2020 but had to reschedule. So, we'll be doing six ports of call on the Kitsap and Olympic peninsula starting July 23 through August 8. Call me to join up; we are at about 50% occupancy so there is still plenty of room, but the clock is ticking.

Boaters and paddlers urged to wear life jackets on cold water

(From Washington State Parks and Rec)

During spring, the air warms but Washington’s waterways remain cold. Safety officials are reminding boaters and paddlers that wearing a life jacket is key for cold-water safety.

While people are encouraged to always wear a life jacket no matter the water temperature or season, public safety officials stress that wearing a life jacket – not just having it on the boat – significantly increases the chances of surviving an unexpected fall into cold water.

The shock of falling into cold water triggers a gasp reflex, which more than likely means inhaling water. Wearing a life jacket gives you a fighting chance to get your head above water, stay calm and call for help.

Despite recent warmer weather, water temperatures statewide are still below 60 degrees – cold enough to cause the gasp reflex and incapacitate even strong swimmers in less than one minute.

Before the first launch of the season, boaters and paddlers are also reminded to review [boating regulations](#) and [get educated](#), inspect their watercraft and gear, verify vessels are [properly equipped](#) and always wear a life jacket while out on the water.

Lt/C Sam Hill, P

ADMINISTRATIVE DEPARTMENT

Hello, my name is Samuel Hill. I'm very proud to be your new Administrative Officer (AO). My effective date for this position was 27 April 2021. I would personally like to take a moment to thank you for providing me with the opportunity to serve our great squadron as the AO. I know the position has been vacant for about a year or so. I look forward to getting started, it should be fun. I promise to do the best job I can do. I never held a position like this in a boating club. I am excited to see what the year will bring.

I'm from Kansas City Missouri, born and raised. My friends call me KC, I'll give you one guess why. Yes, I'm a Chiefs fan but let us not talk about this year's Super Bowl. I have a wife of 28 years, two daughters (22 and 28), a grandson and no grey hair only because I am bald. I have a Bachelor's Degree in Human Resources from Park University "Go Pirates". I served 21 years on active duty in the US Army. I retired out of Fort Bliss Texas in November 2011 but stayed there until our youngest finished High School. I still do work for the Department of Defense (DoD). I love training Soldiers and being around Soldiers. I joined the Tacoma Power Squadron in 2019, not long after the completion of the Basic Boating Course. Since then I have completed the Boat Handling Course and the Piloting Course (now known as Marine Navigation). I am enrolled in Advanced Marine Navigation now, wish me luck. I believe these courses have made me a much more informed and better boater. I look forward to instructing a course or two myself in the future.

My path forward first is to learn all I can. I believe a person should never stop learning. With the help of the Squadron members and the Executive Board Members, I believe I'm in great hands. My duties as I understand them so far, are to oversee functions internal to the club. Including but not limited to Membership / Member Involvement, Boating Activities, Programs, and Sunshine. Sunshine I like to call the health and welfare of the club members. It's good to know if a club member is in the hospital or if a club member has a new grandchild. I will also help out with anything else that needs assistance. I look forward to having a good time in this position and helping the club move forward. The month of May is here, and the sun is starting to show its face. It's boating time folks, let's get on the water and burn some boat gas.

Now that I have bored you to tears, let me end by challenging you. I challenge you to stay safe in 2021. If you are not doing so already, continue to educate yourself and others around you. There are so many new boaters on the water this year, people with little to no training. Please think about that when you and your family / friends are on the water. I challenge you to get involved in the club, attending the virtual meetings and in person meetings whenever we get back to in person meetings. I know someone is thinking they have not seen me at virtual meetings lately. You are correct, the Marine Navigation Course was on Tuesday. Advance Marine Navigation is on Wednesday. You will see me at meetings now. Get the Vessel Safety Check (VSC) sooner than later. That is my next task to complete. It will help ensure your boat is as safe as possible. Please stay safe, protect yourself and others from COVID-19. Stay vigilant on the water. Keep your head in the game at all times. Again, thank you for your votes. Let us have a better summer then we had last year.

Closing date for articles is the fourth Wednesday of each month. Please direct all articles to the Editor. E-mail to: ricque0602@comcast.net, Mail to: 5105 Grand Loop, Apt # 811, Tacoma, WA 98407. Telephone: (253) 581-1732. Please submit member address and other data changes to the Tacoma Power Squadron Secretary.

EDUCATIONAL DEPARTMENT

*Lt/C Sandi Carroll, SN
Asst. Education Officer*

Summer is fast approaching which means more boating for lots of people! This year we have seen an increase in all types of boating. People think it is a great way to be outside and social distance, but many do not have any education or experience in boating. For those people we have ABC (America's Boating Course). This class will start May 10 for 4 classes plus the exam starting at 7 pm via Zoom. Pass the word along if you know anyone who needs this course. This class qualifies you for the Washington State Boater's card. For more information contact Brenda Williamson: Williamson.bren@gmail.com or me: benric7@gmail.com. People can register here: <https://americasboatingclub.org/find-a-course-near-you?zip=98467&range=20>

A Partner in Command class will be held May 22 for Fox Island Yacht Club.

Instructor Gary Ball had 5 students to pass Advance Piloting recently. Congratulations go to Mike Gage, Phillip Sidebottom, Ed Higgins, Jim Lux and Lisa Sutton!

We also had three members pass Marine Navigation with flying colors! Lt/C Sam Hill was in a 3-way tie for the highest test score and Amy and Joe Webb were right behind them. Great job!! Maybe they should consider teaching a class or two!

Anyone interested in becoming an instructor please contact me about attending an Instructor Qualification class via Zoom. We are always looking for more instructors to have more classes!!

Instructors who need to be recertified please contact me. District 16 is planning on holding a recertification class May 15 starting at 10 am virtually.

Happy and safe boating!!

Last March I named those members chosen for awards during my tenure as Commander. Inadvertently I left out a well deserving member who was always first to raise his hand and help, no matter what the task.

Tim Craig is that person and well deserving of the Volunteer of the Year (2019-2020) Award. He has given a great deal of his time and energy to ensure the present and future of Tacoma Power Squadron, America's Boating Club, Tacoma & South Puget Sound.

Daffodil Boat Parade “Reach for your Star”

By Lt Cindy Warren, AP

Wow, sunscreen in April! Saturday and Sunday were warm and sunny. The Tacoma Yacht Club provided a box of live daffodils to each club. We had to water bag the daffodils this year due to the sunny weather. Sjoen and The Defiant both participated as unjudged entries. Jackie made stars on paint paddles to wave as we moved down the waterway. Linda Craig made daffodil vases for everyone. Going down the Thea Foss waterway we saw Mike and Jenna Ashbrook, Todd and Melinda Mackey, Beth and Richard Stone, Bob and Pam Gunter, and Richard Mattox on his balcony. Tom Ferree came down on Sunday to take pictures of the boats. Thanks to the Tacoma Yacht Club for making this event possible!

OFFICER REPORTS

Executive Officer – Lt/C Stanley Wolfe, SN-CN

- **BROADCAST NOTICE TO MARINERS** – Coast Guard set it up. They will push info to us if we give them an email.
- **New ECOS Guidance from the Coast Guard: Beginning April 1, 2021, boats under 26 feet manufactured after 2018 with a 3 hp or larger motor are required to have the engine cut-off switch installed by the manufacturer, and users are required to use it when operating over displacement speed and without an enclosed cabin. This is part of the Safety Vessel Check (pass/fail).**
- **Change of Watch two weeks out: Zoom invites going out after Gary and I finalize in next few days. I'll provide info packet to D16 Commander, who will be attending.**
- **ABC Chap 4 – will be May 20 via Zoom**
- **District 16** hosts instructor recertification on Saturday, May 15, 10:00 AM.
- **Crew at the Helm (Partner in Command) Class - Fox Island YC on Saturday, May 22nd.**
- **D16 Rendezvous June 11-13 at Poulsboro. Don't need to call them, just fill out the form. Check to Craig Brown for \$5 if planning on going.**
- **Incoming officers training - date TBD (early to mid-Summer); Operations Training will be 3 hours to be offered. New people are recommended to attend. Gives a background/overview of the Power Squadron and history. Talks about the different squadron and district jobs.**

Admin Officer –

Vacant, but nothing to report.

Secretary – Lt/C Beth Stone

- No new news.

Treasurer – P/C Jackie Mattox

- Operating Acct = \$13,518.44 + Cruise Acct = \$924.27 + Savings = \$7,411.27 = Total of \$21,471.68

Education Officer – Lt/C Bentley Rickmers, S

- ABC starting 5/10 – Monday and Thursdays for 4 weeks. Looking for students.
- Class for Members who want to be certified to teach classes. Date TBD. She will gather a list.
- Online testing. Want to have the student online and have a minute to fill out answer and then go on to another questions. TBD
- District has set aside \$1,000 to help squadrons pay for Zoom account for education. We would like to pay half and ask the district to pay the remainder.
- Partner in Command class with Fox Island planned. May 22nd at 10:00 am. Would like to finish in three hours.

Commander – Cmdr Gary Dildine, AP, IN -

- Nothing to report business wise. However, thanked us for our calls and well wishes from his surgery.

NEW BUSINESS

- **Awards for Change of Watch – Gary has several people in mind for the awards, but will disclose them at the meeting. Needs to know who has the plaques for the awards. Jackie and Stan have them.**
- **In memory of Otto Rasmussen. As many of us know, Otto passed away recently. Many of us (old and new members) have very fond memories of him. In our way of honoring him, the following has been proposed:**
 - Gary has proposed an award within our squadron be created going forward in honor of Otto. It would represent the best Good Will Ambassador from our squadron who represents us the best (i.e., good will, helpfulness, great attitude, helping people in general, etc.). Motion was made and seconded. 100% yes from board.
 - The board voted to make a donation of \$100 to our education fund, as Otto was a large contributor of educating many of our members over the years.
 - Otto will also be highlighted in the national publication of the Last Horizon, due to his many contributions over the years as a member of the Power Squadron.
- **Recognition from District for 2 items– sending copy to Stan and Gary**
 - Recognition of Distinctive Performance for Publication in 2020 for the Wake Astern
 - Recognition of Distinctive Performance for Websites in 2020
- **Sandi Carroll received a pin and recognition for Life Membership**

OLD BUSINESS

- **Daffodil Marine Parade** – Talked about logistics. People helping to decorate on Saturday after 10:30 am (since the daffodils will not be delivered until then). Have 15 people who are helping. Box lunches are being provided. Money is coming out of cruise account. If you volunteer to help, don't forget that you can receive merit points. Send your hours to Christine Rasmussen and she will record them.
- **Day Island Yacht Club** – Rental Agreement – Have not heard anything back at this point. Jackie will check back.
- **Wake Astern** – Articles are due by day after the COW.
- If any members are looking for a fun way to get additional **Merit Points** – Participate in the Co-op Charting. Send a picture of a marker to Jim Harden and he will work with them.
