COMMANDER

Cdr Stan Wolfe, SN-CN

Greetings from your Commander!

Deb and I hosted the first rendezvous of the year at Arabellas with very thin attendance by boat; in fact, more folks drove over and met in the lounge. See the write-up later in this edition.

We just completed our second in-person meeting of the year, the Annual General Meeting, in which we elected the slate of officers for the next year. The Change of Watch will occur April 26. Planning has already started so mark your calendars. Before we get to that date, there are a couple of events in which I hope many of you participate. For example, District 16 will conduct their Spring Conference March 12 starting at 8:30 AM. TPS has six delegates to represent you during the meeting.

More happenings:

Tacoma Power Squadron Dock Street rendezvous occurs March 18-20. Call the marina (253-272-4352) to make your reservations. We don't have a host, yet, but I'm optimistic that someone will step forward.

The week after Dock Street is the fourth Tuesday (March 22) and time for another general meeting. We are going back to our potluck format so bring an entree or a side, but no desserts. Our galley crew under the leadership of Lorraine Stargel, AP will handle that part.

The marine portion of Daffodil will be hosted by Tacoma Yacht Club in their marina basin starting with early boat arrivals on Thursday, April 21. TYC is planning to revert to the pre-covid format and activities. We hope to decorate a boat on Saturday the 23rd starting around 10 AM then enter it the non-judged category of the marine parade just as we did last year. Assuming scheduled maintenance is completed, Brian and Barb Prudente have graciously offered Sjøen to be draped with flowers and banners advertising America's Boating Club of Tacoma and South Puget Sound as your first choice in safe boating education and training.

So, why all the writing about rendezvous, general meetings, conferences, and slates you ask? Attendance and participation are down. We've had some illness and injuries and some folks have sold their boats. Despite all that, we have hard-core attendees that show up and have a good time. We need more of you to do the same. We have 160 members as of just a few days ago and I'd like to see more of you attend a rendezvous, come to a meeting, and/or volunteer to help with running our club and doing the many tasks we undertake to educate the public. Deb and I have had a lot of fun, earned the friendship of our members, and have done some good for the community. If you have been hesitant, take the plunge!

That's it for this month. I'm looking forward to seeing a lot of folks at our next in-person event and or the March rendezvous at Dock Street in Tacoma.

EXECUTIVE DEPARTMENT

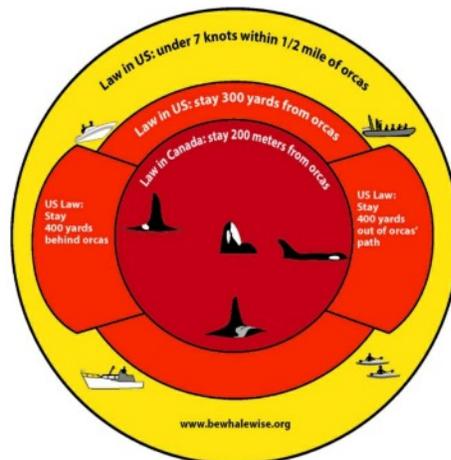

Remembering our friends under the water.

As we prepare for our boating season each of us needs to remember we share our beautiful Puget Sound waters with others. We need to remember our friends sharing the Puget Sound waters with us while we are boating. There are Federal and State regulatory distances boaters need to observe when they spot whales near you. Below is a picture depicting the different distances boaters need to allow depending on where the whales are in relation to your boat.

Orca whales are called killer whales but that is only a nickname given to them, because after all they are not whales. They are part of sea mammal family, dolphins and whales, but they are the largest member of the dolphin family. And so, they are not whales. "killer" because they are apex predators of the ocean and they are real killers!!

Dolphins are Whales in the same way Birds are Dinosaurs and Humans are Apes, so the name is not necessarily inappropriate. It was also coined before humans really knew what the relationships between Orca and other dolphins. And the original source of the name was probably "Whale Killer", with the two terms eventually getting shifted around by an accident of history.

See you around the docks

ADMINISTRATIVE DEPARTMENT

It's that time of year again. Time to get the boat dusted off and get her ready for the summer. With that being said, I believe our Vessel Safety Check (VSC) Inspectors are looking for you. That's right, they are looking for you so they can VSC your boat. There is no better way to start off a new season of boating. A fresh new VSC sticker is calling your name. All the cool kids have the new and improved 2022 sticker.

All joking aside members, this is a great way to start the year of boating. A second set of eyes on your boat is a good thing. It's always a great idea to have someone else check to make sure you have everything you need for a safe year of boating. A VSC will do it for you, and it's free (who doesn't like free). The inspectors will make themselves available for you. Inspections took place last weekend at the Gig Harbor/Arabella Landing Marina Rendezvous. Plus, it will give you the opportunity to fellowship with the inspector and maybe learn something new.

Come one come all, get your VSC done sooner than later. From what I understand, the new stickers are looking pretty cool and it makes your boat faster (just joking on the faster part). I will get my VSC done as soon as I pull my boat out for the season. It's that time of the year folks. We need to make sure the inspectors do not get bored, and assist you, so you can have a safe boating year in 2022.

Need a Vessel Safety Check?
It's Fast, It's Easy, and best of all,
IT'S FREE !!!

ROLL CALL: Meeting called to Order at 1900 hours at Day Island Yacht Club. Commander lead Pledge of Allegiance, and Meal prayer then reminded all to please abide by COVID rules as posted at each table. XO called each table to be served at galley. Commander also requested members consider signing Galley volunteer sheet posted at table in lobby.

After dinner, determination of quorum (10% membership) completed.

APPROVAL OF MINUTES - minutes available on Commander's phone so will have executive board approve for posting to Wake Astern.

OFFICER REPORTS

Executive Officer – Lt/C Jim Harden, JN-CN

- **VSC** - Sue Walker indicated schedule not firmed up but expect to work various VSC venues such as Bass Pro, Cabelas and Swantown during the year and she plans to be more active in arranging them. She is still looking for an assistant to help with inputting completed inspections. Decals are available and were distributed to VSEs present.
- **Coop-charting:** Members can report on prior non-USPS recoveries one year apart; if prior recovery was by USPS, must be two years apart.

Admin Officer – Lt/C Sam Hill, AP

- Recognition of new members:
 - Cdr Stan Wolfe, SN-CN swore in Henry Reisch.
- Membership Retention (Lt/C Jackie Mattox, AP) – Jackie indicated we've had 30 new members in the last year or so.
- Plan for next general meeting is to have business portion start at 7:00 PM, but DIYC will be open at 6:00 PM so members can stop at favorite take-out and bring their own bag of food. We are trying this as a means to limit spreading COVID from potluck-style meal and avoid spending funds on food which is expensive.
- Boating Activities (LT Cindy Warren, AP) - 2022 Rendezvous schedule was presented (following):

Arabellas Rendezvous **February 18 - 21, 2022** (Hosts Cdr Stan & Debbie Wolfe)

First Rendezvous of 2022

Tacoma Power Squadron conducted its first rendezvous of the new year February 18 - 21 at Arabellas Marina in Gig Harbor. I hope it's only a sign of the times: five boats signed up but only three attended. Folks cancelled due to sickness and injury; we hope everyone heals and feels better soon. In the true spirit of our club, many folks did attend via car. A big thanks to Jenna Ashbrook for making beautiful Arabellas Rendezvous 2022 ribbons which were awarded to the 23 attendees. Many of the folks attending arrived early enough to partake of a sumptuous Saturday breakfast of eggs, sausage, and waffles. The hosts, Stan and Debbie Wolfe arranged for and prepared the lounge instead of the net shed for use during the day. After breakfast, several parties toured the boats in attendance and reconvened in the lounge until late afternoon. Thanks also to our Squadron XO, Lt/C Jim Harden, JN-CN for conducting vessel safety checks per request. Let's look forward to our next rendezvous at Dock Street March 18-20. Here's the list of attendees.
